Part 1 – Presentations

2025

KI in der öffentlichen Verwaltung, Presentation at the event "Digital – International: Künstliche Intelligenz", International Conference of the Pensionsversicherungsanstalt, Vienna, 10 April 2025

Die Regulierung des KI-Modells mit allgemeinem Verwendungszweck, Presentation at the conference "Daten-Governance und Recht der künstlichen Intelligenz", College of Law and Politics in cooperation with the research project "Digitalisierung der Verwaltung in Deutschland und Taiwan (DigitV)" National Chung Hsing University, Taichung City, Taiwan, 17 March 2025

The EU AI Act: Implications, Challenges, and Transatlantic Perspectives, Participation in the panel discussion with Sacha Alanoca, Stanford University, 25 February 2025

2024

Avatars, Drones & Data Infrastructure: Border Control Under the European AI Act, Stanford, 19 November 2024

DemocracAI: A discussion about AI and elections, safety regulations, and democratic society, Participation in the panel discussion within the event "Stanford Democracy Day", Stanford, 5 November 2024

Der rechtliche Rahmen der künstlichen Intelligenz in Europa – reicht das? Presentation within the Österreichischer Wissenschaftstag "Der Mensch und seine künstliche Intelligenz", Baden, 24 October 2024

Alles zum Wohl unserer Gäste: Wo liegen die ethischen und rechtlichen Grenzen einer datengetriebenen Zufriedenheitsmaximierung? Walk-the-Talk within the event "Tiroler Tourismusgespräche", with Markus Schröcksnadel, Innsbruck-Igls, 15 October 2024

Law, Technology & Innovation, Presentation within the symposium "German Law Journal 2024 Symposium: Legal Personhood", Washington and Lee University, Lexington, 11 October 2024

Panel Chair at the Wien-Kyoto Seminar 2024 "Lösungsansätze zum demographischen Wandel aus interdisziplinärer und internationaler Sicht", organised by the Graduate School of Law, Universität Kyoto, the Center for Interdisciplinary Studies of Law and Policy, Kyoto University, and the University of Vienna, Graduate School of Law, Kyoto University, 10 September 2024

Chair of Group II at Socratics Retreat, with Bo-Mi Choi, Strobl am Wolfgangsee, 29–30 July 2024

KI und Regulierung, Participation in Session 2 within the event "Forum Kultur 2024, Fokus Künstliche Intelligenz", with N. George, L. Jugel, F. Medwenitsch, F. Parapatits, G. Schödl und S. Veigl, Stiftung Mozarteum Salzburg, 27 June 2024

Technologische Erosionen im Recht, Inaugural Lecture at the University of Vienna, 21 June 2024

Technology's Self-Governance, Presentation within the conference "Governance of Technology: Discontent, Disruption, and Doubts", King's College London, 17 May 2024

Effektive Kontrolle oder unzulässige staatliche Überwachung – Ein Abwägungsversuch, Participation in the panel discussion within the event "Verfahrensrechstag 2024 – Wie die Digitalisierung den Abgabenvollzug verändert", University of Graz, 21 March 2024

Human Rights, AI Models, and the Quest for Pluralism, Presentation within the lecture series "Thinking Pluralisms", ETH Zurich, 14 March 2024

Woran sich KI-Forscher*innen weltweit noch die Zähne ausbeißen, Participation in the panel discussion within the event "Dies Academicus 2024", with Matthias Leichtfried, Philipp Grohs, Jonas Ries and Paulina Sliwa, moderation: Lena Yadlapalli, University of Vienna, 12 March 2024

Was bedeutet der AI Act für die Praxis? Presentation within the symposium "Automatisierung der Arbeit – Chancen und Risiken des Einsatzes Künstlicher Intelligenz im Betrieb", Vienna University of Economics and Business, 29 February 2024

Der EU-Verordnungsvorschlag zur Kurzzeitvermietung. Kompetenzrechtliche Herausforderungen und Lösungsmöglichkeiten, Presentation within the workshop "Auf dem Weg zum Digitalen Gästeblatt – Umsetzung der Registrierungspflicht", organised by the Federal Ministry of Labour and Economy, with Florian Werni, Lighthouse10 in the Haus des Meeres, Vienna, 28 February 2024

EU-Approach to AI Regulation, Presentation within the workshop "The Regulation of Artificial Intelligence: EU – China Dialogue", organised jointly by the Institute of Advanced Studies (IAS) and the Faculty of Law of the University of Macau; the Department of Innovation and Digitalisation in Law, University of Vienna and the Österreichische Forschungsgemeinschaft, University of Macau, 21 February 2024

Law & Attention, Presentation within the workshop "Toward a systemic concept of attention for the attention economy, using Buddhist and Western ethics", Eindhoven University of Technology, Eindhoven Center for the Philosophy of AI, 7 February 2024

Der Artificial Intelligence Act: Chancen und Herausforderungen für den Gesundheitssektor, Keynote Presentation within the event "Women in Health IT Breakfast", Accenture Future Camp in the Börsegebäude, Vienna, 16 January 2024

AI regulation in Europe – an academic overview, Presentation within the conference "AI in Medicine Vision – Reality – Legal Aspects", University of Vienna, 12 January 2024

Panel Chair of "Liability & Ethics" within the conference "AI in Medicine Vision – Reality – Legal Aspects", University of Vienna, 12 January 2024

2023

EU AI Act: Overreach, Underreach, No Reach, Keynote within the conference "The politics and ethics of AI: Perspectives in STS and beyond", School of Communication and Culture, Department of Digital Design and Information Studies, Aarhus University (11.–12.12.2023), 12 December 2023

Large Language Models: Experimenting with Democracy, Presentation within the workshop "Handbook on Living Labs and Real-World Experiments – Author Workshop", École des Mines, Paris, 30 November 2023

Variety of EU Digital Regulation – General Overview, Presentation within the workshop DigiReg, Oslo, 28 November 2023

KI und menschenrechtliche Anforderungen an eine pluralistische Gesellschaft, Presentation within the conference "KI – Menschenrechtliche Grundlagen und Grenzen" of the Working Group "Künstliche Intelligenz und Menschenrechte" of the Österreichische Forschungsgemeinschaft, University of Salzburg, 16 November 2023

Das digitale Asylverfahren – Zukunftsvision oder Realität? Participation in the panel discussion within the Asyltag 2023, with Peter Nedwed, Vienna International Centre, Vienna, 7 November 2023

Rechtliche Fragen zum Betrieb von Drohnen, Presentation at the Österreichischer Detektiv-Verband, with Lisa Müllner, Vienna, 14 October 2023

Panel Chair of "Legal Studies in Times of Large Language Models like ChatGPT or Bard" within the conference "Politica e istituzioni tra trasformazioni e riforme", Bocconi University Mailand, 13 October 2023

Wie lässt sich ein sicheres Umfeld für Studierende in Zeiten von KI gewährleisten? Presentation within the conference "Studierende im FOKUS: Auf Augenhöhe mit guter wissenschaftlicher Praxis", organised by the University of Innsbruck, the Competence Center for Academic Integrity mdw – University of Music and Performing Arts Vienna and the Austrian Student Ombuds Office (10.–11.10.2023), Innsbruck, 10 October 2023

Verantwortung im Studium – GWP in Zeiten von KI (?), Participation in the panel discussion within "Studierende im FOKUS: Auf Augenhöhe mit guter wissenschaftlicher Praxis", organised by the University of Innsbruck, the Competence Center for Academic Integrity mdw – University of Music and Performing Arts Vienna and the Austrian Student Ombuds Office (10.–11.10.2023), mit Amrei Bahr, Bernhard Fügenschuh, Karl Gerhard Straßl und einem*r ÖH Vertreter*in der Universität Innsbruck, Innsbruck, 10 October 2023

Preventing natural disasters: Is there place for artificial intelligence? Presentation within the conference "National Law and International Reality – 3rd Slovenian and Austrian Lawyers' Conference", with Maša Kovič Dine, University of Vienna, 29 September 2023

Steuerung und Regulierung der digitalen Kommunikation. Algorithmen und rechtlicher Rahmen, Participation in the panel discussion within "Umbruch – Über Glaube, Meinung und Fakten in ungewissen Zeiten", Grundrechtstag 2023, with Dietmar Dokalik, Petra Leupold, Heidi Scheichenbauer and Peter Nedwed, Graz, 28 September 2023

KI – rechtliche Herausforderungen & europäische Regelungsentwürfe, Presentation within the conference "Versicherung im virtuellen Raum", organised by the Department of Labour Law and Business Law, University of Salzburg, 21 September 2023

Umweltschutz durch Regulierung der Lieferketten, Presentation within the conference "Sorgfalt in der Lieferkette", organised by the Faculty of Law of the University of Vienna and the Faculty of Law of the University of Kyoto, University of Vienna, 13 September 2023

The EU Artificial Intelligence Act: An Emerging Transnational Regime? Presentation at the University of Macau, 31 August 2023

Artificial Intelligence, the Individual-State Relation, and Justice, Presentation at the University of Macau, 31 August 2023

Bernd Wieser und Verfassungsrituale, Presentation at the "Symposium zum 60. Geburtstag von Univ.-Prof. DDr. Dr. h.c. Bernd Wieser", University of Graz, 6 July 2023

Foundation Models, the Individual, and Democracy, Keynote Presentation within the Conference "Young Digital Law 2023 – Bias in Law-Making", University of Vienna, 6 July 2023

Künstliche Intelligenz und Menschenrechte, Presentation at the Forum Zeit und Glaube, Katholischer Akademiker/innenverband der Erzdiözese Wien, Otto-Mauer-Zentrum, Vienna, 26 June 2023

Der Rechtsrahmen der EU und die grundrechtlichen Komponenten, Presentation within the "Parlamentarisches Forum: Auswirkungen von KI auf Gesellschaft und Demokratie", Parlament, Vienna, 26 June 2023

How do parliaments know? Expert, lay and AI knowledge in law making, Presentation within the "Tag der Parlamentsforschung – Day of Parliamentary Research", Parlament, Vienna, 26 June 2023

ChatGPT & Co.: Was darf Künstliche Intelligenz? Participation in the Rechtspanorama am Juridicum, with Harald Leitenmüller, Dominique Schichtle, Matthias Schmidl, Wolfgang Zankl and Benedikt Kommenda, University of Vienna, 15 May 2023

Responsible Robotics: Tracing Ethical and Social Aspects of AI-Based Transformations in Healthcare Work and Knowledge Environments (RR-AI), Presentation within the "bidt – Große Sprint Review" with Jon Škerlj, Munich, 29 March 2023

Rechtliche Fragen zum Betrieb von Drohnen, Presentation at the Wiener Juristische Gesellschaft, Vienna, 22 March 2023

Working Interdisciplinary: The Legal Perspective, Presentation within the Responsible Robotics Project Week, Garmisch-Partenkirchen, Germany, 11 January 2023 (with S. Scholz and S. Witz)

2022

KI-Verordnung: Reallabore und Betroffenenrechte, Presentation within the Conference "Konsument:innen in der Datenökonomie", Ministry of Health, Vienna, 25 November 2022

Datenschutzrecht und KI-spezifische Regulierung, Response within the Workshop "Personalisierte Preise aus verbraucherrechtlicher Sicht", University of Vienna, Vienna, 3 November 2022

Bernd-Christian Funk zum Sachverständigen: Lehren für den KI-Einsatz, Presentation within the Symposium to honour Bernd-Christian Funk, Sigmund Freud University, Vienna, 14 October 2022

Rechtliche Regulierung von moralischen Notfällen verursacht durch automatisierte und autonome Fahrzeuge, Presentation within the Workshop EMERGENCY-VRD, Universität der Bundeswehr, Munich, 7 October 2022

Constitutional Aspects of Covid 19, Presentation within the Austrian Delegation at the University of Kyoto, Kyoto, 14 September 2022

Über Sinn und Unsinn von „Regulatory Sandboxes", Presentation within the Conference "23. Salzburger Telekom-Forum", Salzburg, 6 September 2022

Rules in Transition: Law and Innovation, Presentation within the Conference "The European Market Ecosystem between Law and Innovation", Pisa, 24 June 2022

Künstliche Intelligenz und Grundrechte, Presentation within the "21. Österreichischer Juristentag", University of Vienna, 3 June 2022

Künstliche Intelligenz in der Kardiologie: berufsrechtliche Fragestellungen, Presentation within the Annual Congress of the Austrian Society of Cardiology, Salzburg, 27 May 2022 (with S. Scholz)

The Austrian Constitutional Court, Presentation within the Thai Delegation visit, University of Vienna, 23 May 2022

Klima-, Energie- und Mobilitätswende – Recht als Bremse oder Motor? Participation in the panel discussion within "50 Jahre FOB Rechtswissenschaften" at the Technical University of Vienna with B. Davy, V. Madner and J. Streitner, 28 April 2022

KI in der öffentlichen Verwaltung: Grundprobleme und Regelungsansätze, Presentation at the Conference "KI in der Öffentlichen Verwaltung", University of Vienna, 22 April 2022

Rechtsdogmatik und Innovation des Rechts, Presentation at the Conference "Rechtsdogmatik: Stand und Perspektiven", online, University of Graz, 25 March 2022

2021

Between Response-able Citizens and Simple Policy Objects: Making pandemic Publics in Parliamentary Discourse and Legal Intervention in Austria, Presentation at the Conference 4S, online, with U. Felt, 7 October 2021

Sovereignty through Digital Applications? The Example of Blockchain Technology, Conference on Digital Fragmentations and Digital Sovereignty, online, 18 September 2021

Plattformregulierung an der Schnittstelle von Recht und Technologie, Workshop Platform Regulation, University of Graz, 31 May 2021

Prognosemodelle und generelles Verwaltungshandeln, Presentation within the application procedure for a professorship at the University of Vienna, online, 29 April 2021

Künstliche Intelligenz und Recht, Presentation at the Wiener Juristische Gesellschaft, online, 3 March 2021

Human Rights Requirements and Statistical Modelling, Presentation at the Conference "Digital Governance in the Times of Covid-19", Bar-Ilan University, online, 17 February 2021

2020

Jus Update: Neues im Recht, Presentation at the JUS-Club, University of Graz, online, 18 November 2020

Automatisierte Verwaltungsverfahren auf Bundesebene, Presentation at the Conference "Auswirkung der Digitalisierung auf die Erlassung und Zuordnung behördlicher Entscheidungen", University of Innsbruck, online, with T. Ehrke-Rabel, 11 September 2020

Statistische Modellierungen & COVID-19: Probleme, Grundrechtliche Pflichten und Rechtspolitische Forderungen, Presentation at the Vienna Centre for Societal Security (VICESSE), Vienna, 7 July 2020

Big Data & COVID-19, online panel discussion within "REWI im Gespräch", University of Graz, 2 July 2020

Rechtliche Aspekte von Robotik und AI, Presentation within Responsible Robotics (RR-AI). Tracing Ethical and Social Aspects of AI-Based Transformations in Healthcare Work and Knowledge Environments, Technical University of Munich, Munich Center for Technology in Society (MCTS), 1 July 2020

Regulierung in Corona-Zeiten: Innovation, Vorsorge und Risiken, online within the 1st Digital Salon of International Law, organised by the Institute of International Law and International Relations at the University of Graz, 4 June 2020

Neue Fragen der Verantwortung beim Einsatz von Risiko-Assessment-Instrumenten in der Rechtspflege, Presentation within the congress "Einsatz von Instrumenten des Risikomanagements in der Rechtspflege", organised by the Netzwerk Kriminalpolitik at the Palace of Justice, Vienna, 10 March 2020

Genome Editing – Legal Overview, Presentation within the congress "Vectore borne diseases, the nature and genome editing", organised by the UNESCO chair on Bioethics at the Medical University of Vienna, 8-9 January 2020

2019

Beat: From Crypto- to Corporate Currencies? Panel discussion, organised by the Department of Innovation and Digitalisation in Law (University of Vienna), the Faculty of Computer Science (University of Vienna) and the Austrian Institute of Technology, 16 October 2019, with R. Böhme, E. Demuth, B. Weber, University of Vienna

Auslaufmodell Staatsanwaltschaft? – Automatisierung und Künstliche Intelligenz im Strafrecht, Presentation within the seminar "Dienst- und Organisationsrecht für StaatsanwältInnen", organised by Vereinigung Österreichischer Staatsanwältinnen und Staatsanwälte, Gmunden, 15 October 2019

Optimismus der Techniker und Furcht der Juristen? Talk given at the Vienna Humanities Festival, organised by the Institute of Human Sciences (IWM), Time to Talk and the Vienna Museum, Vienna University of Technology, with M. Vec, 28 September 2019

Living in the Laboratory – Opting In and Opting Out in Test Bed Scenarios, Presentation within the Session "Co-creating or Testing Scalable Societies? Test Beds and Living Labs as Emerging Innovation Policy Instruments – II", organised by the Society for Social Studies of Science (4S) Annual Meeting, New Orleans, with S. Pfotenhauer, 6 September 2019

Wie frei sind „freie Güter" wie Luft und Wasser? Wer kontrolliert den Zugriff auf die Ressourcen? Wie sicher ist deren Verfügbarkeit für die Bevölkerung? Presentation within the European Forum Alpbach, Technology Symposium (22-24 August 2019), Alpbach, 23 August 2019

Autonomous Driving, Presentation within the Legal Workshop I at the Robotics Challenge, organised by Agro Innovations Lab, Munich, 21 August 2019

Sharing Economy: Motor für die Modernisierung des Öffentlichen Wirtschaftsrechts? Presentation within the application procedure for a professorship at the University of Graz, 8 July 2019

Mobilität der Zukunft, Panel discussion, Pfingstdialog Steiermark 2019 "Digitale Europe", Leibnitz, with J. Bernasch, B. Datler, G. Krachler, P. Schöggl, P. Umundum, H. Bischof, 6 June 2019

Smarte Innovationen – Smarte Regulierung? Presentation within the "week of judges 2019", organised by the BMVRDJ, Linz, 21-23 May 2019

Leben mit Algorithmen – Artificial Intelligence und Recht, Panel discussion within the "week of judges 2019", organised by the BMVRDJ, Linz, with E. Schweighofer, M. Tscheligi and H. Hörtner, 21-23 May 2019

Das Gesetz der Technik: Recht und Innovation, Presentation within the congress "Vor dem Gesetz: Rechtswissenschaftliche Perspektiven", University of Graz, 28-29 March 2019

Living in the Laboratory: Towards experimental citizenship? Presentation within the workshop "Technoscientific Constitutionalism: Exploring the Intersections of Science, Technology and Constitutional Order", Washington, D.C., 8 February 2019

Living Labs und Standardsetzung, Presentation within a lecture series by the Department of legal basic research at the Faculty of Law, University of Leibniz, Hanover, 24 January 2019

2018

Technologische Innovation im Rechtsstaat, Presentation within the event from IWS, University of Vienna and IHS "Sozialwissenschaften als Gesellschaftsgestaltung: Diagnose, Reflexion, Antizipation (1918-2018)", Faculty of Law, Vienna, 16 November 2018

Das „Recht auf Vergessen" – Helfen die Grundrechte bei der Beseitigung von Spuren im Internet? Presentation within the Fundamental Rights Day about the topic "Datenschutz und Persönlichkeitsrechte im digitalen Zeitalter", Vienna University of Economics and Business, 12 November 2018

Machine Learning, Obligations to Protect and Experimental Regulation, Presentation within the series "Legal Challenges in the Contemporary Age from a Comparative Perspective", Bocconi University Milan, 6 November 2018

Öffentlich-rechtliche Aspekte der Verantwortlichkeit von Plattformen, Presentation within the interdisciplinary congress "Internet-Plattformen und Algorithmen: Die automatisierte Online-Kommunikation als Herausforderung für die Regulierung", University of Vienna, 5-6 October 2018

Machine Learning: A Narrative Device about Law, Presentation within the interdisciplinary workshop "Global Governance and Innovation: Law and Science Fiction" at University of Macau, 22 August 2018

Participation in the panel discussion "Autonomous Systems: Opportunities, Challenges, and Risks", "Sommerdiskurs aus Wirtschaft, Recht und Kultur 2018" – Summer School at University of Vienna, Strobl am Wolfgangsee, 1-3 August 2018

Participation in the panel discussion "Artificial Intelligence and its Impact", Law firm "bpv Hügel", Vienna, 28 June 2018

Deep Learning, the State and the Law, Presentation at the Technical University of Munich, Vorhoelzer Forum, Munich, 17 April 2018

AI in the Life Sciences: The Future of Life and Law, Presentation within the conference of the German Research Foundation: Legal Foundations in Times of Deep Learning and Systemic Digitization, Villa Vigoni, Comer Lake, Italy, 3-6 April 2018

Datenhoheit und -schutz: Wer regelt was? Presentation at the Forest Management, Eco-Social Forum, Vienna, 1 February 2018

Steuerung autonom betriebener Maschinen, Presentation at the Rotary Club, Vienna, 23 January 2018

2017

Blockchain – Perspektiven der Freiheit und Kontrolle, Presentation within the event Blockchain and Crypto Tax Forum Graz, University of Graz, 27 November 2017

Human Rights and Autonomous Cars, Presentation within the workshop on Law and New Technologies, University of Bergen, Norway, 24 October 2017

Neue Technologien: Abbau von Grundrechten? Presentation within the Fundamental Rights Day 2017: The Luxury of Human Rights, JKU Linz, 29 September 2017

Risikoentscheidungen im Umweltrecht, Presentation within the 22nd Austrian Environmental Law Days "Unfall und Störfall im Umweltrecht", JKU Linz, 27 September 2017

Forst und Freizeitnutzung, insbesondere forstrechtliche Grundlagen, Presentation within the event organised by the Austrian Water and Waste Management Association: The practice of Forest Law, Vienna, 28 June 2017

Rechtliche Situation – Bieten die gesetzlichen Rahmenbedingungen ausreichend Schutz für meine Daten? Presentation within the workshop: Challenges and Chances for Agriculture in a digitalised world – LW 4.0, Chamber of Agriculture Upper Austria, 12 June 2017

(Verkehrs-)rechtliche Aspekte des automatisierten Fahrens, Presentation within the FSV-SEMINAR 2017: Autonomous cars and the consequences for planning, Admont, 27 April 2017

Digitalisierung und Selbstbestimmung. Die digitalisierte Person, Presentation within the second congress of the Austrian Law Journal, Graz, 6 April 2017

Zwischen Life Sciences und Rechtswissenschaften, Inaugural Lecture at the University of Natural Resources and Life Sciences Vienna, 12 January 2017

2016

Citizen Scientists in Natural and Life Sciences: Between Responsible Research and Freedom of Science. Disciplining or Empowering the Citizenry Trough Citizen Science, Taipei, 7 December 2016

Imaginaries of Innovation in the Austrian University System: A Legal Perspective, Harvard University, 5 December 2016

Defining nanomaterials, presentation within the interdisciplinary conference: Good Nano – Bad Nano: Who Decides? University of Vienna, 1 December 2016

Blockchain: Staatliche Erosionen zu Gunsten technischer Effizienz? Presentation within the workshops Blockchain, Kryptowährungen, Smart Contracts: Rechtliche Perspektiven, University of Natural Resources and Life Sciences Vienna, 30 November 2016

Big Data beim Einsatz autonomer Maschinen: Rechtliche Herausforderungen, Presentation within the workshops "Smart Farming": Rechtliche Perspektiven, University of Natural Resources and Life Sciences Vienna, 24 November 2016

Ethical Coding and Autonomous Cars, Presentation at the Macau University, 20 September 2016

Encoding Values – Zur Ethik von Protokollen. Selbstfahrende Autos, das Internet der Dinge, Fitness-Tracker und das vernetzte Haus, Panel discussion within the Internet Governance Forum Germany 2016, Rotes Rathaus Berlin, 9 September 2016

Zufall im Recht, Presentation within the PRO SCIENTIA Summer Academy (5-11 September 2016), JUFA, Raabs an der Thaya, 8 September 2016

Algorithmengesteuerte personalisierte Bildung – Chance und Risiko (with R. Müller-Eiselt), Presentation within the European Forum Alpbach, Legal Symposium (23-30 August 2016), Alpbach, 30 August 2016

Smarte Mobilität – Chancen und Herausforderungen, Panel discussion within the Summer School at the University of Vienna, Summer Discourse of Economy, Law and Culture 2016: public spaces-mobility, Innovation and ethics of science (3-5 August 2016), Strobl am Wolfgangsee, 5 August 2016

Paradigmen rechtlicher Innovationssteuerung, Presentation at the Centre for Development Research, University of Natural Resources and Life Sciences, Vienna, 23 June 2016

Myths of Steering Innovation, Short presentation within the joint-workshop of the CASTI Research Network and Members of the Science Democracy Network "Ideologies and Imaginaries of Innovation" (19-21 May 2016), Technical University of Munich, Munich Centre for Technology in Society (MCTS), Vorhoelzer Forum, 19 May 2016

Design: Who gets to decide? Presentation within the interdisciplinary workshops "Making Nano 'Safer by Design'", University of Vienna, 18 May 2016

Ethical Coding: Rechtliche Grundlagen und Grenzen, presentation within the conference "Autonomes Fahren und Recht", University of Natural Resources and Life Sciences, Vienna, 4 May 2016

2015

Rechtspfleger und Richter, Presentation within the symposium "Grundfragen der Verwaltungs- und Finanzgerichtsbarkeit" (13-14 November 2015), Vienna University of Economics and Business, 13 November 2015

Legal Status – Human Rights – Autonomous Systems, Presentation at the Hungarian Academy of Sciences, Budapest, 22 October 2015

Ein „Recht auf Vergessenwerden“, Presentation within the congress “Zeitgeschichtsforschung im Spannungsfeld von Datenschutz- und Archivrecht” (28-29 September 2015), Faculty of Law at the University of Vienna, 29 September 2015

The ethics of nano-regulation: Proposals for curing some shortfalls in EU law at the nano-nature interface, Presentation within the “10th International Conference on the Environmental Effects of Nanoparticles and Nanomaterials – ICEEN 2015” (5-10 September 2015), Vienna, 9 September 2015

Rechtsprobleme des Einsatzes von Drohnen in den Forschungsbereichen der BOKU, Presentation within the application procedure for a professorship at the University of Natural Resources and Life Sciences, BOKU Vienna, 16 June 2015

Nano-Norms-Nature, Poster-Presentation within the first Flash-Talk-Workshop Environment of the Research Association Environment (with A. Kallhoff, Th. Hofmann, A. Praetorius and L. Müllner), University of Vienna, 10 June 2015

Europäische Nanotechnologieregulierung, Presentation within the research-platform Nano-Norms-Nature, University of Vienna, 18 May 2015

Emerging Technologies and Modern Warfare: Legal Challenges (with Ch. Binder), Mekelle University, Ethiopia, 4 April 2015

2014

Google, algorithms and auto-complete: legal challenges, Presentation at the University of Macau, 13 November 2014

Präklusion und nachträgliche Einwendungen im verwaltungsgerichtlichen Verfahren, Presentation within the congress “Auf dem Weg zu (mehr) Rechtsstaatlichkeit? Veränderungen durch die neue Verwaltungsgerichtsbarkeit” (23-24 October 2014), Faculty of Law, University of Vienna, 24 October 2014

Wissenschaftliches Publizieren zwischen Pflicht und Verbot, Habilitation colloquium, University of Vienna, 23 September 2014

Regelbildung durch Private, Presentation within the opening-symposium of the association team “Staatliche Aufgaben, private Akteure” (8-9 May 2014), organised by the Austrian Research Association, University of Vienna, 8 May 2014

Genetische Zufallsbefunde im Forschungskontext: Disclosure-Algorithmen und Grundrechtsschutz, Presentation within the BMBF-closed meeting “Ethische und rechtliche Aspekte molekulargenetischer Zufallsbefunde im D-A-CH-Raum” (9-14 March 2014), organised by the Theological Faculty of the Ernst Moritz Arndt University of Greifswald, 13 March 2014

2012

How ‘Functioning’ is made: Negotiate ‘Functioning’ Image Processing Algorithms, Comment to Christoph Musik within the 2nd International Workshop DOC-team “Verdaten.Klassifizieren.Archivieren”. Identification techniques between reality and vision, organised by the Department of Science Studies University of Vienna, 24 November 2012

Liquid Democracy, Short contribution within the panel discussion “Direkte Demokratie vs. Parlamentarismus: Erfahrungen und Reformideen”, Parliament Vienna, 5 November 2012

Transitional Justice, gegenwärtige und historische Formen von “Transitional Justice” als Voraussetzung des Neuaufbaues demokratischer Gesellschaften, Presentation within the training of judges, organised by the Ministry of Justice, Linz, 16 May 2012

Ethik-Macht-Recht, Presentation within the Life-Science-Governance Events, organised by the Department of Political Science, University of Vienna, 10 May 2012

Rechtssetzung durch Private, Holding a workshop (with K. Lachmayer), organised by the Chamber of Law Vienna, 24 April 2012

Governance of Emerging Technologies, IBL Lecture, organised by the University of Macau, 14 February 2012

2011

Risk assessment of engineered nanomaterial (ENM) applications in food and feed, Presentation within the Annual Conference on European Food Law (21-22 November 2011), organised by the Academy of European Law (ERA), Trier, 21 September 2011

Hidden Strings? – Legal Problems with Autonomous Machines and Algorithms, Presentation within the series of "Discourse in Law and Economics", organised by the Sonnenfels Centre, University of Vienna, 6 June 2011

Nanotechnologieregulierung dargestellt am Beispiel des Lebensmittelrechts, University of Natural Resources and Life Sciences, Vienna, 26 May 2011

Der Personalstrukturplan im System des UG, Presentation within the debate about University Law, organised by the Department of University Law at the University of Linz, 30 March 2011

2010

The Code of Conduct for Responsible Nanoscience and Nanotechnologies Research (Codex) – an Unsettled Matter of Regulation and a Potential Infringement of the Freedom of Science, Presentation within the Greenwall workshops: The Constitutional Foundations of Bioethics: A Cross-National Comparison, organised by the Program on Science, Technology and Society, Harvard Kennedy School and the Harvard Law School, Harvard University, 22 November 2010

Wie geht das Lebensmittelrecht mit den Chancen und Risiken der Nanotechnologie um? University of Graz, 10 November 2010

Comparison of Nano Regulation Approaches of Germany, Switzerland, Austria and the EU, Co-Author for the presentation within the 2nd S.NET conference, organised by the Society for the Study of Nanoscience and Emerging Technologies, Darmstadt, 30 September 2010

Leistungsfähigkeit der Verfassung, Presentation within the symposium "Neue Fragen an eine alte Verfassung" in the parliament about the 90th anniversary of the Federal Constitution, Parliament Vienna, 7 September 2010

Verfassungsvergleichung am US Supreme Court, Presentation within the conference Constitutional Courts and Comparative Constitutional Law, organised by the Vienna Online Journal on International Constitutional Law, Vienna University of Economics and Business, 3 September 2010

Technik der Grundrechte – Grundrechte der Technik, Presentation within the symposium "Die Zukunft der Verfassung – Die Verfassung der Zukunft" (12-13 July 2010), organised by the Vienna University of Economics and Business, 13 July 2010

Transitional Justice, Bewältigung staatlicher Umbruchssituationen, Presentation within the training of judges, organised by the Ministry of Justice, Vienna, 3 March 2010

Nanomaterialien und Konsumentenschutz – Stand der Regulierungsdebatte in der Europäischen Union, Presentation within the event "Regulierung von Nanomaterialien – Verantwortlicher Umgang mit verbrauchernahen Produkten", organised by the Ministry of Health and the Academy of Science, Vienna, 18 February 2010

2009

Das europäische Akkreditierungsmodell im Produktsicherheitsrecht, University of Freiburg, 1 December 2009

Doctrinal Disputes and Dogmatic Changes within Legal Scholarship. The legal reframing of human dignity within the German and Austrian stem cell research debate, Presentation at the Harvard Kennedy School, Harvard University, 5 April 2009

2008

Regulating Ethical Issues of Medical Nano Devices: Who gets to decide what? Presentation at the Harvard Kennedy School, Harvard University, 7 October 2008

The Governance of Emerging Technologies, Presentation of the FWF-science project "Staatliche Steuerung Neuer Technologien" at the Harvard Kennedy School, Harvard University, 30 September 2008

Governing Medical Nano-Devices: Conventional and Emerging Regulatory Tools in the European Union, Presentation within the event Emerging Technologies and Regulatory Cultures, organised by the Program on Science, Technology and Society, Harvard Kennedy School and the Harvard University Centre for Environment, Harvard University, 18 April 2008

The Governance of Emerging Technologies – Particularly in the Field of Nanotechnology, Presentation at the Harvard Kennedy School, Harvard University, 20 February 2008

2007

Besetzung der Verwaltungsgerichte, Presentation within the autumn meeting of the Austrian Commission of Jurists about the topic states reform, organised by the Austrian Commission of Jurists, Vienna, 16 October 2007

Besetzung der Verwaltungsgerichte und des Verwaltungsgerichtshofes nach dem Entwurf zur Staats- und Verwaltungsreform, Presentation within the event and discussion panel about the topic states reform, organised by the Vienna University of Economics and Business, 25 September 2007

Globalizing Human Rights: The Conception of Human Rights in Israel, Lecture within the NICLAS Summer School about the International Constitutional Law (9-21 July 2007), organised by the University of Vienna, 20 July 2007

Wahlrechtsperspektiven im internationalen Vergleich: eVoting, Presentation within the event "Retrospektive und Perspektiven des Wahlrechts", organised by the Austrian Parliament, Vienna, 18 July 2007

2005

Multikulturalismus – eine Antithese zum Liberalismus? Presentation within the "First Vienna Workshop" on International Constitutional Law (20-21 May 2005), organised by the ICL-Network, University of Vienna, 21 May 2005
